DETENTION

After-school detention is a disciplinary measure practised at the School. Its purpose is corrective and to provide students with time to reflect on changing the behaviour that resulted in their detention. Silence is observed and disruptive behaviour is not tolerated.

Detention is assigned to a student after a referral from a staff member (direct detention) or when TEN Demerit points are reached. For every 10 demerit points, a student must serve a one-hour detention. Only Merit points cancel out demerit points.

Detention will be served between 15h15 and 16h15 as indicated by the school.

After 3 detentions in a term, parents/guardians will be contacted and the student's behaviour will be discussed. After the 5th detention, a **learner** will appear before the disciplinary committee and may be suspended.

In some cases, (e.g. 20 DEMERITS), learners will be sanctioned by **becoming involved in** Community services which is also 60 minutes after school.

In some cases, SUCH AS NOT ATTENDING DETENTION or not obeying **the** disciplinary committee's decisions, detention is allocated for a Saturday morning from 9h00-12h00 (3hrs).

It is the responsibility of the student to note the date and time of the detention/Community services. Tardiness and absence are not tolerated. In all cases parents/guardians are given prior notice of a student's detention so as to make the necessary transport arrangements.

8. IN-SCHOOL SUSPENSION

In-school suspension by Deputy Principals or Principal (during school time) is a supervised, temporary measure during the regular school day. The learner will be suspended from lesson(s) and must spend the remaining time at a specific location assigned by admin. ***Silence is observed and disruptive behaviour is not tolerated.*** In-school suspensions count toward the absence policy. It is the responsibility of the student to complete all class assignments missed though teachers have discretion in awarding credit.

9. OUT-OF-SCHOOL SUSPENSION

An out-of-school suspension is a temporary suspension from school attendance. A student is considered absent, and the days count against the absence policy. Students are not allowed on the campus or at school events while suspended. It is the responsibility of the student to complete all class assignments during the suspension though teachers exercise discretion in awarding credit.

10. BAG SEARCH

The school will conduct RANDOM BAG SEARCHES and inspection of personal belongings in order to prevent illegal or unauthorized substances, objects and weapons etc. being brought to school.

NB:

Any other transgression not reflected in the student handbook will be sanctioned at the discretion of the school's Disciplinary Committee.

Star College reserves the right to make changes at any time without further notice to students. This Student Handbook is subject to continuous review and evaluation.

Nothing shall exempt a student from complying with the School Rules.

Ignorance of the School Rules is therefore not an excuse for the violation thereof.
